

# THE ELLSWORTH FAMILY NEWSLETTER

Aviation Missionaries for Evangelism & Discipleship in Belize July 2010

## **Youth Hostel**

Jeff and I go to the Youth Hostel near Belmopan on Tuesday mornings to teach lessons from God's Word, using the Reach for Life Bibles. We start out talking about sexual purity, and God's plan for marriage. And then we get right into the salvation message. One week I was sharing the prodigal son story with the girls, and at the end I asked if there was anything in their lives stopping them from coming to God. One girl admitted she needed God's forgiveness, and she prayed to receive Jesus in her heart.

## **Paintball Ministry**

Jeff has been working hard, along with Alexander Perez to keep the paintball going, they will be hosting many games this summer. Jeff and Alexander are godly role models to the young people, and through the paintball ministry they are able to speak into their lives as they develop relationships with them. Jeff spoke about purity in relationships with the young men at the last event. One young man, at the end of Jeff's talk, thanked Jeff for sharing with them and asked him for more advice.

## **Youth cleaning the church**

I asked several youth to come and help clean the church last week. They were very willing to be of service and they did a good job. Christina Scott (age 3) looked at all the chairs lined up outside to dry and said, "look they are making church." Children are so precious!

## **Kids Praise**

At the end of Kid's Praise on Saturday, I asked if any of the children needed healing in their body. Alexandro said he had asthma, so I asked all the children to pray for him with me. I asked them, "Do you believe God can heal Alexandro?" all the children nodded their heads to say yes. After we prayed, he was completely healed!! God is so good!

### **Talent Show**

Shira helped at Ben's school fundraiser, a talent show, and Ben along with his classmates sang and did actions to Forever and Holy is the Lord. Jeff and I were so proud of Benjamin! Shira was also Mistress of Ceremonies at Destiny Christian Academy graduation, as well as her students danced "More Life" by Papa San. A one year old girl decided to join in the dance with us and she stole the show! People could not stop laughing as she got right in the middle of our dance, it was so funny!

### **Leilani's promotion day**

Leilani made us proud as she received two certificates: one certificate for completing her first year of preschool, and the other for participating in the Festival of Arts in May with her class, by doing drama, dance and a song. She is not shy; she was smiling from ear to ear as she performed on stage for everyone!

### **Ben's Year**

Jeff and I were so proud of Benjamin coming in third place this year. He has 30 students in his class! Ben and Leilani both can't wait for the school year to start; they both love school and are doing very well.

***Thanks so much for your prayers and support which means so much for the work here!  
In Christ's amazing love, The Ellsworth's***
